http://ujfp.org/spip.php?article2707
The AIC welcomes Richard Wagman, co-founder of the Union Juive Francaise pour la Paix (UJFP), commenting on reports about rising anti-semitism in France. According to a study recently published by Tel Aviv University, anti-semitic acts rose by one third in 2012. Richard Wagman refutes the numbers published and highlights how the issue of racism should be taken on more generally.
